re: Rebuttal Testimony W-01782A-10-0224

Dear Commission,

Abra Water Co. accepts Staff's Direct Testimony and recommendations, but requests clarification on the following:

- 1) Abra requested the specific rate of \$10.00 per thousand for the standpipe and coin operated machine for customers who haul water. This was not addressed in Staff's Direct Testimony. As a specific rate is required for this service, we request that Staff make a recommendation and/or give clarification on this proposed rate.

Sincerely,

Rod Yarbro-Manager
